Community Living

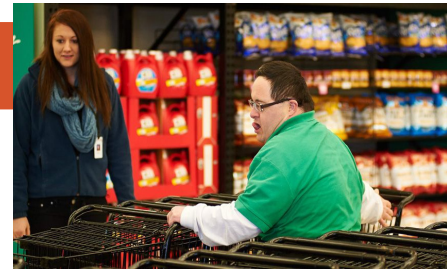

Ages 3-65+

Other Community Living services include Supportive Home Care, Daily Living Skills Training, and Community Based Day Services. These services help assist individuals to live their best life in their own home and in their community.

Community Employment

Ages 14-65+

Community Employment assists individuals in identifying and securing jobs in local businesses by matching their skills and interests to employer expectations or jobs in the community— supporting both the individual and the employer to assure success. This service includes job preparation, job development, job coaching and ongoing support, and benefits analysis.

Representative Payee

Ages 18-65+

Aptiv's Representative Payees are responsible for managing the day-to-day finances of beneficiaries in need and tasked with providing assistance to improve overall living arrangements. With Aptiv Rep Payee Services, you will have less anxiety about finances and more energy for improving your quality of life. You can have confidence in our integrity and ability to deliver the services you need.

Benefits Counseling

Ages 18-65+

Benefits Counseling enables Social Security beneficiaries with disabilities to make informed decisions about work, benefits, and incentives. Services are provided through a federal grant at no cost to the participant. This service is currently available in 37 counties in Wisconsin.
